Dear Supporter:

The Ohio Occupational Therapy Association (OOTA) is a non-profit member organization that provides continuing education, networking activities, legislative monitoring, political action, and practice support for occupational therapy practitioners in Ohio while encouraging the delivery of professional and evidence-based practice.

As described by AOTA, our national professional organization, "In its simplest terms, occupational therapists and occupational therapy assistants help people of all ages participate in the things they want and need to do through the therapeutic use of everyday activities (occupations). Unlike other professions, occupational therapy helps people function in all of their environments (e.g., home, work, school, community) and addresses the physical, psychological, and cognitive aspects of their well being through engagement in occupation."

The mission of the Ohio Occupational Therapy Association, Inc. is to promote the profession of occupational therapy, address professional issues in occupational therapy practice, and advance the practice of occupational therapy in the state of Ohio.

This year marks the 100th Anniversary of the Occupational Therapy profession and on November 2-4, 2017, the West Central District of OOTA will be hosting the 2017 OOTA State Conference at the University of Dayton Marriott. Our conference theme this year is "Occupational Therapy, 100 Years and Growing." The excitement surrounding this milestone is sure to make this year's conference extra special and OOTA expects approximately 350-400 occupational therapy professionals and students to register and attend this event.

OOTA is asking for your support in advancing the education and professionalism of therapists in the state of Ohio by contributing towards our state conference.
